Dear Mr. Whelpley

I have now had the opportunity to read your revised manuscript titled "Self-Esteem and Counterproductive Work Behaviors: A Systematic Review." You have been quite responsive to the previous comments and I am pleased to accept this paper for publication in the Journal of Managerial Psychology.

I think this study makes an interesting and important contribution. I hope that this review will promote more research in this area. I hope that you will continue to consider the Journal of Managerial Psychology as an outlet for your work.

By publishing in this journal, your work will benefit from Emerald EarlyCite. This is a pre-publication service which allows your paper to be published online earlier, and so read by users and, potentially, cited earlier.

Please go to your Author Centre at <https://mc.manuscriptcentral.com/jomp> (Manuscripts with Decisions for the submitting author or Manuscripts I have co-authored for all listed co-authors) to complete the copyright assignment form. We cannot publish your paper without this. All authors are requested to complete the form and to input their full contact details. If any of the contact information is incorrect you can update it by clicking on your name at the top right of the screen. Please note that this must be done prior to you submitting your copyright form.

If you would like more information about Emerald's copyright policy please visit the Information & Forms section in the Resources section of your Author Centre.

We appreciate your willingness to share the results of your research with the readers of Journal of Managerial Psychology.

Yours sincerely
